Dhivehi Insurance Company Pvt. Ltd. started operating as a General Insurance business on 14 August 2016. The company is a joint venture between Ensis Fisheries Pvt. Ltd. and key professionals in the industry.

Our Chairman Mr Abdul Wahid Thowfeeq has over 20 years of experience in the Insurance Industry whose foresight has secured a place for Dhivehi insurance as the leading specialty insurer in the market catering for the specialist needs of the growing construction industry. Our main business being insurance bonds and other financial lines insurances.

Within a span of five years, we have acquired considerable clientele from the resort industry, construction industry, and the SME market.

Dhivehi Insurance have established the best international relationships with re-insurers and partners to bring more up-to-date and modern insurance coverage to meet the changing needs of the market.

The company's approach is to analyze every client's business meticulously from every aspect before offering advice on the appropriate coverage, creating more value for the cost of coverage, and proposing options to optimize coverage and premium rates.
